WHAT IS PLAY THERAPY?

Speaker: Laura W. Hutchison, PsyD, RPT/S

Many people who work with children may have heard of play therapy, but many do not understand what it is or how they could use it in their work with children. This presentation will overview the foundations of play therapy and explores how school social workers can incorporate it into their work.

There is a \$10 fee for non-members of MASSW.

***Currently waiting approval for 2 Continuing Education (CE's) Contact Hours.**

Attendance will be supervised by MASSW Region M Officers. Registrants will sign in and out on the designated sign-in sheet. At the end of the presentation, registrants will hand the completed *Professional Development Evaluation* forms to the registrars who will provide a certificate of attendance for the workshop. Please contact Anne Marie Timpf at Atimpf@cvs.k12.mi.us or call 586-723-2768 if you have any questions regarding ADA needs or with any Grievance issues.
